Live Theatre Workshops summer camps are filled with music, theatre, dancing, and technical theatre experiences. Camps are arranged by age and grade level. All skill levels are welcome! All of our instructors are trained to introduce and teach in a way that makes the entire experience fun and educational in a safe and low-pressure environment. While students will be very busy learning lines, acting, singing, dancing, building sets, and producing their play; there is plenty of time for acting improvisation and theatre games. Our goal here at LTW is to focus on the process of the putting together a production. We feel all students should understand what it takes to put on a show from start to finish with a focus on teamwork, personal responsibility, and thinking outside of the box.
